Valid payments collected: **₱0.00** · Cash ₱0.00 · Digital Wallet ₱0.00 · Bank Transfer ₱0.00. By payment date, excluding refunded amounts and voided sales. View Payment Management

Profit Report

1 Jan – 18 Oct 2026 · Posted transactions only

Sales before discounts Recorded item prices before transaction discounts.	₱600.00
Less: discounts Already included in Total Sales below.	₱0.00
Net sales Posted sales after discounts; customer repayments do not add revenue.	₱600.00
Less: product costs Cost of goods sold uses recorded item quantities and historical costs.	−₱350.00
Gross profit Sales after discounts minus the cost of products sold.	₱250.00
Less: operating expenses Running costs only; inventory purchases and other cash outflows are excluded.	−₱760.00
Estimated net profit Gross profit minus operating expenses, based on recorded costs.	−₱510.00

Payments received, less refunds: ₱0.00

Actual cash collected by payment date in this period, including initial payments and later collections. Refunds on voided sales are included. This is separate from sales revenue and profit.

Top-Selling Products

Top five by sales value after allocated discounts. Names and costs use sale snapshots; the latest sold name is shown.

Product	Quantity	Sales	Est. gross profit
Grocery Bundle	1	₱600.00	₱250.00

Estimated gross contribution is sales after proportionally allocated transaction discounts minus historical item costs, before operating expenses.
